Dear Friend,

Here we go again! The Clinton Sunrise Rotary Club proudly presents our annual Fishing Derby.

The Derby has been a long standing tradition here in Clinton and has always been a positive experience for the youth of our community. This is a free, fun family event!

This year's derby will take place Saturday, April 26th from 8 am to noon at Demott's Pond in Clinton NJ.

The derby is truly an example of small town America at its best and with your help we can make it the best one ever.

We are looking for donations that will help us offset the cost including the stocking of the fish, bait and prizes for the kids to keep this great tradition going.

Please let us know if you are able to provide a sponsorship.
